

A Warming Online Staff Christmas Party 2020

Thanks again for your support, about 400 colleagues joined the online SA Christmas Party on 15 Dec. 2020.

The party started with a video from SA interest classes and groups (a big thanks to Mr Shek Kin Shing for editing the video), greetings from our SA Chair, UST President, Provost and VPAB, as well as presentation of the SA Award. Everybody was warmed by the fun and excitement of the games and lucky draw, and enjoyed being connected through the online party. The grand prize of iPhone 11 Pro was won by an FO colleague!

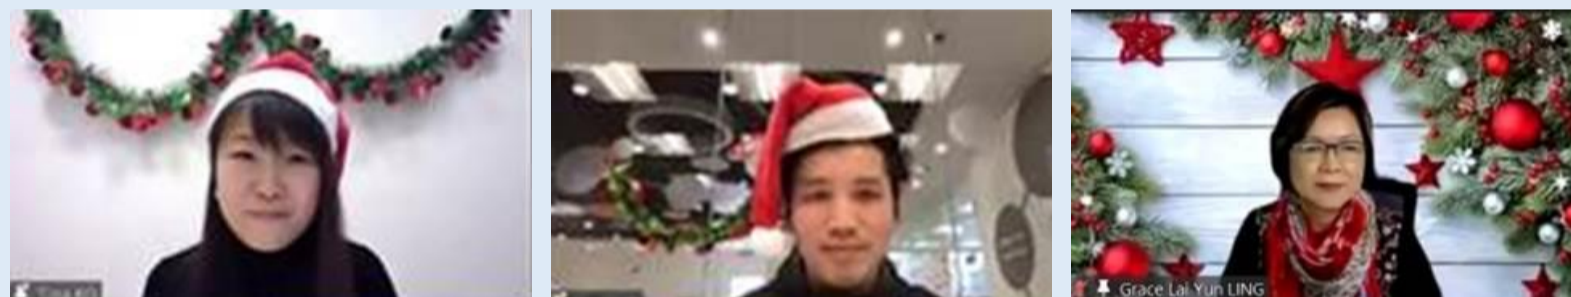

Participants can check the Lucky Draw results via the link below. All winners (games, 12 grand prizes & 240 prizes) will be informed by email of how to collect the prizes.
