THE POWERFUL NETWORK

* Under FUP (Fair Usage Policy), when monthly data usage reaches the plan's data allowance, data service continues without speed throttling or data capping, but access to network resources will be given lower priority and data service experience may be affected.

^ Unlimited local data usage of this plan is at up to 2Mbps. Local data usage excludes tethering and peer-to-peer applications.

Mobile Service Plans: Only applicable to new customers or designated existing SmarTone customers, who is full-time staff of designated organization. HKID, Staff identity card and address proof are required upon contract subscription. The mobile number under the mobile service plan is required to be registered by the staff. A designated service plan with 24 / 30-month contract subscription and $18/month admin fee (if applicable) are required. For details, please visit smartone.com/en/mobile_corp_201912. **Upgrade to Unlimited Local Data:** The contract end date will be the same as the mobile service plan selected. **Fibre Broadband:** Offer applies to designated corporations and associations staff newly registering for the Fibre Broadband at a designated resident address on a 24-month contract new subscription. Customer must show the valid staff identification card. The above monthly fee is calculated based on the original service plan monthly fee, after a monthly rebate has been given to the customer within contract period. For details, please visit smartone.com/en/FBB_corp_201912. **HomePhone+:** Offer applies to designated corporations and associations staff newly registering for Home Tel Service simultaneously at a designated resident address on a 24-month contract new subscription. Customer must show the valid staff identification card. Customer is required to make a $300 service prepayment. The above monthly plan is for residential use only. For details, please visit smartone.com/en/HPP_corp_201912. **SmarT Home Service:** Offer valid till 30 Jun, 2020 limited period only. Applicable to the designated customers registering for SmarT Home service at a designated residential address on a new 24-month contract subscription. The above monthly fee is the original service plan monthly fee before the prepayment rebate. Customer is required to make a prepayment amounted to HK$3,600 at subscription. Customer should settle the monthly fee by credit card payment or bank autopayment. An on-site provision and service installation are included. The service installation should be completed, and service should be activated in 90 days upon service subscription. Customer can enjoy telephone enquiry service and on-site service maintenance for 2 times. The installation service is only applicable to the address where the on-site provision is completed. No relocation service shall be provided. If the service is terminated during the contract period for whatever reasons, the prepayment shall not be returned, and customer is required to pay for the equipment cost, the Company shall determine the amount of such payment at its sole discretion. Company reserves the right of final decision relating to the promotion and any dispute thereof and may change the Terms and Conditions without prior notice.
